Dear Jeremy:

On behalf of the Board of Directors and staff of the Leukemia Research Fund of Canada, and all who benefit directly and indirectly from its work, thank you for the donation of the *beautiful original acrylic on canvas, "Autumn" valued at \$2500.00 and custom framing valued at \$550.00* to the second annual Toronto Celebrity Waiters Luncheon (CWL) held on Wednesday, October 31, 2001. After just two years the CWL has become one of our flagship events and is becoming a popular Toronto fundraiser.

Thanks in part to you; the luncheon was again an unequivocal success raising approximately \$ 145,000.00 for vital Canadian research into finding the cure and treatment for leukemia, lymphoma, Hodgkin's disease and myeloma. This research is saving lives. You are a part of the success of many patients battling these diseases.

We look forward to another exciting event next year and will be grateful to have your support again.

Sincerely,

Maureen Sheran Michael Nepom
