Dear Jeremy,

On behalf of the Leukemia Research Fund of Canada, thank you so much for your support of the annual Toronto Celebrity Waiters Luncheon.

Your generous donation of your beautiful oil on canvas was paramount to the success of this year's event; which raised over \$195,000, in addition, we received over \$30,000 in goods-in-kind, which is an increase of 25% over last year. As you know, research is the only way to ensure that more children and adults survive Leukemia. The Toronto Celebrity Waiters Luncheon is a fun and lighthearted way to help raise the necessary funds for continued research, and hopefully a permanent cure for Leukemia, Lymphoma, Myeloma and Hodgkin's Disease.

Participating in our flagship event, the Celebrity Waiters Luncheon, is an opportunity to support the leading organization in Canada solely dedicated to finding a cure for Leukemia and other blood related diseases. LRFC depends solely on support from the private sector and from fundraising initiatives. LRFC does not receive any government or agency funding; therefore your contribution is very important.

The energy in the room, and the enthusiasm of guests and celebrities made our auction an unprecedented success. We have been fortunate in your participation and hope that you will continue your support next year.

Sincerely,

Maureen
