Dear Jeremy,

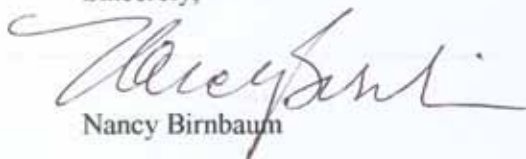

On behalf of everyone at Invest in Kids, our heartfelt thanks for your generous donation to the Invest in Kids Lottery 2002. With your support, we raised over \$90,000!

The proceeds from the raffle will make a significant impact on our ability to continue to support families through "the miracle years". That will include initiatives like our support of Growing Together early intervention program in Toronto, Montreal, Dartmouth and Cape Breton, developing the curriculum for the Training of Professionals Using Home Visiting as an Intervention Strategy which we will be delivering this fall, and the creation and launch of our new destination web site which will provide parents a place to go for information, support and resources about child development and parenting.

You have made a real difference to Invest in Kids and in turn to the young children of Canada.

Thank you.

Sincerely,

Nancy Birnbaum
